Section Goals

The Hawai'i Section Officers have identified the following three primary goals to be incorporated in our events and practices throughout the year. Please provide your response to let the Officers know how you feel these goals are being accomplished.

- 9. Bringing more people together** – The purpose is to bring transportation professionals together to network, learn, and enjoy each other's company. The Officers will strive to bring more transportation professionals together through Section events and activities.
- Exceeds expectations Meets expectations Falls short of expectations
- 10. Share knowledge and experience** – The Officers will strive to improve access to key transportation-related information and continuing education.
- Exceeds expectations Meets expectations Falls short of expectations
- 11. Increase participation of students and young members** – The Officers recognize that our student members and our young members are the future of the Section and our industry. The Officers will strive to increase opportunities for these members to participate in Section functions and development.
- Exceeds expectations Meets expectations Falls short of expectations

If you selected "falls short of expectations", please provide details to explain your opinion and suggestions for improvement in the back of the survey.
